1. Who can see the door/doorknob on the doorpost, the doorpost being mine/me/them/theirs? Who can see what I am doing/saying day after day, way after way, creating the way, not; revealing it/me/them, to them/you, each one. I love you.

2. This is the day/way, walk ye into it, not; you are there, friend of mine, not just/only, but me being me revealeth me/the sons of man; at midnight not; sooner/now. I love you.

3. **Be not dismayed at the coming separation of me from not-me**. Not-me plenty's are and choose to be that way/manner, not because they reject me; they don't know me/who I am, what I've done/provided, and what they are missing out on, totally not; yea, completely, my kingdom for kings realm'd.

4. Many choosing to flop about, bellies crawling on/upon, only not-me is/being. I love you/all, still. Even more, not; equally/the same being me in surrender.

5. See what I am saying/declaring not but forsaking not my ways; **Orion, Septuagint** not me, not; all are me not; many are. Discerning, discern. **And who can see discernment** folded not but **unfolded, entering me, them, upon it/being me unyoked**? I love you.

6. This is the now real and true and unmagnetized not; what does magnetism have to do with anything/me? Plenty/plenty not, discern.
7. Who can see the skies scanning/scanned?
8. And what meaneth the ideology of not me that discerns not me?
9. And what maketh of these things unusual, skyward?
10. What time is it and what now meaneth/requireth maturity, mandated? I love you.

11. I give you me/all. I love you.
12. I give you all/me. I love you.
13. I give you all there is/has been and ever into me more pressing I give you nothing that isn't, but all that is, understanding everything/everyone/every situation/circumstance.
14. I love you all.
15. Discern/discerning me, discern more. Regularly, not; constantly/continuously scanning my horizon, not; heart/voice, my blood is/being. I love you all.

16. Me.

17. Go in peace, not yet. All things blaring/ready not, ready; father decides/deciding and you my friend not; are all things not me, not; all things me. Given and required, not; surrendered into, receiving, rivering me unto me. Forever and a day, not; forevermore everlasting, from beginning to end, not; before, after. Eternity not; eternal were, are again. Death has no sting; imminently defeated. Now is/being. You reign in Christ, not; father forever, forever'd not; character essence.

18. Essenes of me. See me/my all.

19. Now and forevermore. Me/us/one is, being.

Father, lover, dad, friend, me, us, one
